

CAT STORE ITEMS

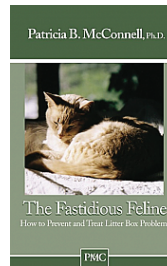

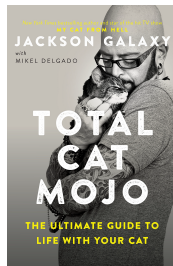

Starter Kit

This kit has all you need to bring your new feline friend home. Included is litter, litterbox, litter scoop, canned food, treats, food bowl, water dish, nail clippers, wand toy, and mouse toy.

Training Books

Training books provide information on how to prevent litterbox issues or understanding your cat.

Nail Clippers

Nail clippers are used to maintain the length of your cats nails. Safari stainless steel nail trimmer has a long-lasting, sharp cutting edge and a comfortable grip.

Slim Cat Treat Ball

This interactive feeder lets your cat play away while working for his dinner or treats.

Breakaway Collar

It is important that your cat has a collar to help identify it. It safely releases so there are no dangers if they were to get caught.

Feliway Products

Feliway mimics natural feline messages and helps cats feel comfortable and secure to help prevent behavioral issues. The product comes in different forms such as a diffuser, spray or wipe.

Interactive Toys

Interactive toys let you play with your cat without using your hands or fingers as the toy.

The Cat Dancer, wand toys, and laser pointers are great ways to have fun with your cat.

Scratching Posts

Cats need a scratching post that will allow them to get a full stretch and shed their claws. Cat scratchers come in a variety of textures which include wood, sisal rope, carpet and more.
