No Pull Harness

The No Pull Harness is a front-leash attachment harness. It reduces pulling and often enables a smoother, more enjoyable walk for both dog and human.

Snuffle Mat

The snuffle mat stimulates pet's foraging instinct and satisfies pet's sense. It puts your dog's nose and brain to work by mimicking the hunt for food in nature.

Puzzle Toys

Puzzle toys exercise your dog's mind and reduce boredom. These dog games provide fun physical & mental stimulation for your dog. Simply insert your dog's favorite dry food or treats into the toy and let the fun begin. Bob-a-lot, Tricky Treat ball, and Outward Hound Puzzle toys are a few of the recommend toys.

Weiss Walkie

The Weiss Walkie is designed to quickly, comfortably, and humanely eliminate pulling with no training needed for you or your dog. It wraps around your dog's barrel and attaches to his or her buckle collar.

Training Books

Training books provide information for transitioning a new dog into your home or help correct an unwanted behavior.

DAP

Dog Appeasing Pheromone is indicated to help alleviate anxiety associated with travel, new environments, crate confinement or kennels, and other situations where your dog may feel uncomfortable. Products include Adaptil travel spray, Adaptil collar, and Adaptil diffuser.

Bully Slices

All-natural cowhide is coated in Redbarn's secret bully gravy and then slow roasted to lock in all that irresistible flavor. This irresistible treat keeps your pup entertained for hours and helps reduce boredom and anxiety.

ThunderShirt

ThunderShirt applies gentle, constant pressure to calm all types of anxiety, fear, and over-excitement issues. Great for thunderstorms, fireworks, separation anxiety, travel, vet visits, problem barking, reactivity, and other stressful situations.

Training Treats

Training treats provide a quick reward to keep your dog engaged to learn more. They should be small, soft and smelly.
