

Busy Box

Species Approved for: Cat

Enrichment Type: Sensory and New or Different Objects

Things to Consider: Various containers can be utilized such as plastic containers (as pictured below) or small boxes. Best given for overnight enrichment.

Supplies Needed:

1. Plastic container
2. Catnip
3. Treats
4. For small containers with lids use two balls that make noise. For larger containers, use three balls that make noise and one soft toy. Bell balls or crinkle balls work best!

Instructions:

1. Sprinkle about two pinches of catnip and about 10 treats at the base of container.

2. Place toys in the container.

3. If using a container with a lid, attach the lid and ensure it is sealed.
