

# Treat Hunt

**Species Approved for:** Cats

**Enrichment Type:** Food Variation

**Things to Consider:** Works well with food motivated cats and is a great way to end a play session with an easily overstimulated cat.

**Supplies Needed:**

1. Treats

**Instructions:**

1. Hide the treats throughout a room in your house. Make sure to put treats in locations that vary in difficulty for your cats to find. For instance, hiding treats between layers of a blanket would be more difficult, while placing them on top of a cat tree would be easier.
